

# Don't Go Down With The Ship!

Northwest and Delta are merging and they are gutting their frequent flyer program.

- More miles for flights
- More fees for so called free flights
- Fuel surcharges for some flights
- Extra fees for top elite members

Don't buy any more tickets on Northwest or Delta. Don't use your credit card to get more miles that will be difficult and expensive to get award tickets. Many other airlines are offering elite status matches.

Other airlines who will status match:

email to: [onepass@coair.com](mailto:onepass@coair.com)

email to: [premiermatch@united.com](mailto:premiermatch@united.com)

Send a copy of your last years mileage activity, as well as a copy of your current elite card.

Not happy about the changes? Contact these NW and DL officials!
